The address to be written here.

So sorry that I should be  
the culprit - Wednesday  
of next week is the only  
possible day - I will  
bring my little girls too  
if I may - we will leave  
as soon after breakfast  
as possible - it seems  
a dreadful long time since  
we saw you - Friday & the  
chicks join me in sending their  
love - ever the same Syd & Pat -
